

## SCOTT CO., VA OVERSEERS OF THE POOR, 1815-1850

### Index

Asborn is indexed Osborn, Cain as Kane, Cock generally as Cox, Fips as Phipps, McCulley as McCulloch, Nichols as Nickles, and Talby as Tolby. Other names which troubled me were Fuller vs Fullen (indexed as Fuller), Maness vs Moness (indexed as Maness) and Penley vs Perley (indexed as Penley). Differentiating Jas and Jos was very difficult, as was Green and Greer. Outside knowledge may be necessary to resolve those cases. Some individuals appear to be listed under two spellings, I was not able to determine which was correct. George and William Bond are probably the same people as George and William Bonn, Addison Caltrow and Addison Cattron are probably the same, and Dasher and Disher likely represent variant spellings of the same name, as do Waldin and Wallin. The Davison and Davidson surnames were especially confusing, as they share many of the same first names. Again, I couldn't determine which was the right version. Use the spellings in this index as a guide and consult the originals if possible.
